Registration will be taken on a first come, first serve basis. Act fast if interested. Space is limited. Registration could close early if classes are filled.

The workshop will include an indoor presentation on pruning techniques and tools followed by an outdoor, hands-on pruning component where participants will be given the opportunity to practice what they have learned. The workshop will be team taught by Ann Wied, Waukesha County UW-Extension Horticulture Educator and Sharon Morrissey, Milwaukee County UW-Extension Horticulture Agent. Pruning tools will not be provided. Participants should bring their own hand pruning tools and gloves and dress for the weather including comfortable shoes or boots. Workshop will be held regardless of weather. In case of extreme weather, call 414-256-4660 on the day of the workshop one hour before the scheduled time to confirm that the workshop will be held. Questions about workshop should be directed to Christa at 262/548-7775. Confirmations to this workshop will be done by e-mail or phone call. We prefer e-mail. If you do not have e-mail, you must have voice mail with your phone number.

Cost of the workshop: \$25 for UW-Extension Master Gardener Volunteers and \$45 for the General Public. No telephone registrations will be accepted. Fill out the registration form on bottom of page and mail in with your registration fee.
